ACADEMIC PROJECTS

Catalan Independence Documentary (Self-Directed)

5/2022-1/2023

- Traveled to Catalonia (currently part of Spain) and Belgium to interview three former Presidents of Catalonia and other independence activists, some of whom are under legal threat for their activities.
- Used video editing skills to combine interview footage with original analysis to **create an hour-long documentary** on Catalan independence. Link here: https://youtu.be/kEvd2Z_08LI.
 - Documentary included an economics portion, using statistical analysis to prove Catalonia's economic infeasibility as part of Spain.
- Documentary project has been covered in media outlets in both the US and Catalonia, and has over 8,000 YouTube views.
